CHUCK WENK

Local Highland Park attorney, Bob Baizer, Baizer and Kolar, received positive press in the Chicago Daily Law Bulletin for the record \$19.4 million settlement he engineered last week. A hospital and several physicians settled just before the trial began on behalf of a patient.

According to the article, the settlement was the highest ever recorded in Cook County for the patient's particular medical problem.

Didn't think I read the Bulletin, Mr. Baizer? I'm very multifaceted.
